

Junior Camp for Pre-K & Kindergarten

Katy GT Academy delivers superb education programs and innovative extracurricular activities. Our objective is to empower our students to excel from social intelligence to academic achievement through various missions driven by engagement. Our summer camp for this group is to Sharpen Learning Skills, Self-Challenge, Improve Problem-Solving skills, GT preparation. **We had 85% successful rate for Katy ISD GT test while KISD has 2% GT acceptance rate.** Learning Can Be FUN!

Wonder of Nature - Children will experience a full week of amazing animal interaction with fun activities; including animal themed games, songs, crafts, cooking and much more! Before they realize it, they have learned math, reading, writing, science, etc. **(6/3- 6/28)**

Travel Around the World – Children will learn the famous places, people, and language; know people living, food and clothes for the people in the different countries and the continents. There will be lots of foreign language, reading, writing, painting, cooking, and math with metric conversions involved. **(7/1-7/19)**

Solar System - Children will make a Solar System model and learn about the planets and stars. They will find out why we have four seasons, why there are days and nights, why the moon has different phases, why a star twinkles, and many other mysteries. This will involve a lot of reading comprehension, math, and science **(7/29-8/9)**
